

WBPSM MVI Technical Exam Pattern

Exam Type	Papers	Subjects Name	Paper wise Questions	Total Questions	Duration
Objective Type	Paper I	Mechanical Engineering Subject	100	200	3 Hours
		Automobile Engineer Subject	100		
	Paper II	General Studies	75	100	2 Hours
		Aptitude and Mental Ability	25		

WBPSM MVI Technical Syllabus - Topic Wise

Mechanical Engineering

1. Engineering Mechanics
2. Inventory Control
3. Energy Conservation
4. Industry Control
5. Machining and Machine Tool Operations
6. Management Information System
7. Metal Casting
8. The Strength of Materials
9. Production Planning and Control
10. Engineering Materials
11. Computer Integrated Manufacturing Design

Vehicle Maintenance

1. Vehicle maintenance
2. Motor vehicle laws
3. Pollution standards
4. First Aid
5. Fire hazard
6. Road safety rules

Automobile Engineering

1. Mechanical Testing and Quality Control
2. Heat Power Engineering

3. Alternative Fuels and Energy Systems
4. Automobile Engines
5. Tractor and Farm Equipment
6. Industrial Robotics
7. Automobile Maintenance
8. Manufacturing Technology
9. Automobile Transmission
10. Aeronautics Engineering
11. Computer Integrated Manufacturing
12. Industrial Automation
13. The Strength of Materials
14. Industrial Management and Road Transport Organization.
15. Two and Three Wheeler Technology
16. Body Building Engineering
