8.4. To Upload Photograph And Signature

Please note that all the applicants are required to upload their recent scanned/digital colour photograph and signature. The file size of the Photograph should be between 15 KB to 50 KB and Signature should be between 5KB to 20 KB per file. The online application system will not allow to upload files smaller or larger than the specified size. All Candidates have to upload their **Photograph and Signature** in ".jpg" format only and file name of Photograph and signature should preferably be photo.jpg and sign.jpg respectively.

For Uploading photograph

- Take your recent colour passport size photograph. The picture should be taken against a light/white background. In case the face on the photograph is not clear, your application is liable to be rejected. Candidate should upload such scanned/digital photograph.
- File size of the Photograph **should be between 15 KB to 50 KB**, otherwise it will not be allowed by the System to upload.
- To reduce the size, crop the image of the passport size photograph in MS Paint or any other Photo Editor.
- Please ensure that only the full face portion is cropped and not the entire photograph.

For Uploading Signature

- The candidate himself/herself should sign (no capital letters) on a white paper with a black ink pen.
 - Scan the signature in 200 dpi (dots per inch) scanner resolution settings and the file size **should be between 5 KB to 20 KB** in .jpg format.
 - To reduce the size, crop the image of the signature in MS Paint or any other Photo Editor. **Please ensure that only the signature portion is cropped and not the entire A4 paper on which you have signed.**
- Once photograph and signature files are uploaded by the candidate successfully, the system will show on the screen **Photograph and Signature that has been uploaded. If these have been correctly uploaded, you should now proceed further to make the online payment.**

To ensure the Photograph and Signature are within specified file size follow the following instructions

- Open the digital or scanned photograph or signature in MS Paint by right clicking the photograph or signature.
- Press Ctrl + W, a window will open which will have an option 'resize by %'. Here enter anything between 10 to 50% and save the file with an extension .jpg.
- Check for the size of the file in 'properties'. If the file size is still not between 15 KB to 50 KB for Photograph and 5 KB to 20 KB, once again open in paint and resize it to bring it to within specified range.
- Repeat this process till the file size is between specified range.

Save this file with the file Name as mentioned above as photo.jpg and sign.jpg
