Dravidian University

Vice-Chancellor's Message

Dravidian University, the brainchild of Late Sri Nandamuri Taraka Rama Rao Garu, former Chief Minister of Andhra Pradesh, legendary film artist, humanist and visionary came into existence in 1997, with a mission to develop Dravidian Languages. His imagination, initiative and foresight resulted in establishing the University in Kuppam, a confluence of three States – Andhra Pradesh, Karnataka and Tamil Nadu and he succeeded in involving the neighbouring States of Kerala and Puducherry in the noble cause of unearthing the hidden treasures of Dravidian languages, English, Folklore, Tribal Studies, History, Archaeology, Linguistics, Literature, and Philosophy through teaching and research. The successive Chief Ministers of Andhra Pradesh have also for the development of infrastructure facilities and provided human resources to achieve the objectives of the University. The University also offers teaching and research programmes in Education, Science, Technology, Computer Science, Commerce, Management etc., for serving educational needs of the neighborhood students. The University has been serving the cause of higher education in this backward region with the support and cooperation of the participating State Governments.

The University has been accredited with "B" Grade by NAAC in the year 2018 and it stands in the range of 150-200 in NIRF ranking. The Tirumala Tirupati Devasthanams (TTD) has been sanctioning funds for maintaining the campus clean and green, which enabled the University to achieve 9th place in Swaccha Campus Ranking at the National Level.

My illustrious predecessors have contributed richly for the growth and development of the University. It is my bounden duty to explore the unexplored areas/subjects that need to be addressed through academic, research, training and extension programmes so as to take this institution to higher realms of recognition and excellence and achieve distinct place among the Universities in India and abroad.

I look forward for the unstinted support from all the stake holders - students, parents, teachers, administrative staff and the public - in this great endeavour.
